

RunSMART Outdoors!

This proven runner strength and conditioning program was **created to aid in improving running efficiency while reducing the risk of common ailments** such as plantar fasciitis; knee & IT band pain, shin splints and low back pain.

Let our expert, Laurie Lasseter (*RRCA Running Coach, ACE Personal Trainer & 30+ marathon finisher*) teach you the most effective exercises to get & keep you running your best!

This outdoor class is designed to provide 10-foot social distancing. Masks are required when at less than 10-foot social distance. Masks are strongly encouraged when at 10-foot or more social distance. Bring your own mat, water and towel.
